Q.8 The HCF of two numbers is 16 and product of numbers is 3072.

Find their LCM.

Subject - Science

Class VI– Holiday Homework (Critical Thinking Based File Work)

1. Biodegradable & Non-Biodegradable Waste

Collect or draw examples of both types of waste.

Classify them into two groups.

 Think & Answer:

- 1)What will happen if non-biodegradable waste is not managed properly?
- 2)Suggest two practical ways you can reduce such waste at home/school.
- 3)Why is biodegradable waste considered eco-friendly?

2. Rainwater Harvesting

Suggest any 5 innovative methods of rainwater harvesting.

 Think & Answer:

- 1)Which method will be most useful in your home or school? Why?
- 2)How can rainwater harvesting help solve water shortage problems?

3. Reuse of Waste Materials

Create a useful item from waste materials (best out of waste).

 Think & Answer:

- 1)Why is reusing better than throwing things away?
- 2)How does your created item help in saving resources?
- 3)Can your idea be used on a larger scale? Explain.

4. Balanced Diet Chart

Prepare a chart showing a balanced diet for:

- 1)Breakfast
- 2)Lunch
- 3)Dinner

 Think & Answer:

- 1)Why should all meals not be the same?
- 2)What may happen if a person eats only one type of food daily?
- 3)How can you improve your own daily diet?

Sub: English

1. Cut any article from newspaper and explain in own words.
2. Explain chapter II the white elephant in your own words and write the summary.
3. learn all three forms of irregular verb from page no.29 and 30 from practice book.
4. Everyday read one page from your reader book.
5. Everyday write one page daily from literature book.

Sub. S.st.

- Make a model of the solar system using balls or paper
- Why do you think life exists on Earth but not on other planets?
- Imagine you are an astronaut—write a short paragraph about visiting another planet.
- Compare ancient life and modern life—what are the major differences?
- Create a slogan or short speech on “Unity in Diversity”.
- If you could change one thing in your society, what would it be and why?
